

## Bay District Schools App Download Directions

Connect with your child's school by downloading Bay District Schools mobile app. The app features a newsfeed, event calendars, contact directory, quick links, pictures, and documents.

Step 1: Search the store by typing in **Bay District Schools**

Step 2:

Download Bay District Schools app and allow push notifications. App is free!

Step 3: Click the + sign to see school selections. Choose the school or appropriate category and then add by tapping. Your school app will now be on your home page when you open the app.
