

To enroll in FLVS courses, go to www.flvs.net. In the upper right corner, click on MENU.

After you open up the Menu, click on County Virtual Schools.

Scroll to the bottom of the page and complete Step 1, Browse the course catalog.

If you are a new student to Bay Virtual School, you should meet with a guidance counselor before choosing courses. Returning juniors and seniors need to call to set up an appointment with a guidance counselor to complete a credit check to make sure the student is on track for graduation. Students that are transitioning from elementary to middle school, or middle school to high school also need to set an appointment with the guidance counselor to review new course provider options. It is recommended that all students set up a phone or face to face conference with a guidance counselor at least once per year. Course progression plans are located on the [Bay Virtual School website](#), under RESOURCES and at the bottom of the page under FORMS.

Welcome! Let's get started.

Public School
Based on FLVS course registration guidelines, all public and charter school students are able to take up to three (3) courses at one time.

Click on the Education Level. In this example we are choosing regular classes for a high school student. Next, click on the first subject area. We are starting with English as the subject and English 1 as the course.

The screenshot shows the FLVS Course Description page for English 1. The page includes a navigation bar with 'Browse Catalog', 'Create account & sign-up', and 'Finish sign-up'. The course details section includes the title 'English 1', a description, total credits (1.0), course code (1001310), estimated completion time (2 segments/32-36 weeks), and cost (Free To Florida Residents). A progress bar at the top indicates three steps: 1. Choose the segment(s)/semester(s) you want to take, 2. Choose your preferred start date, and 3. Finish sign-up. The 'Choose Segments' dropdown menu is set to 'All Segments'. A red arrow points to the 'Choose Segments' dropdown, and another red arrow points to the checkbox for prerequisites.

Here you will see a detailed description of the course. Choose all segments. This allows the student to register for this English 1, Semester A and Semester B at the same time. However, you will only take one semester at a time. Check the box that states you have the prerequisite courses.

The screenshot shows the 'Choose your preferred start date' section. It includes a description of the start date selection process and a date input field with a calendar icon. The date input field is set to '8/18/2016'. A red arrow points to the date input field.

Be sure to choose “Bay Virtual School” to be considered as a Bay District School student with local teachers, administration, and support. Then click “Continue.”
